

## **RETIREMENT OF DR BROWNE**

It is with sadness that I wanted to inform you all of my decision to retire from Abbey Medical Centre at the end of March 2019. It has been a difficult decision for me to make as I have hugely enjoyed working here at the Surgery. However, I have decided that after nearly 29 years here I want to explore some new professional opportunities - before I get too old!

It has been a real privilege to help care for my patients and I shall miss them all. I will also miss my colleagues here at Abbey Medical Centre – I have been so lucky to work with such a hardworking, kind and compassionate team. I know that the Surgery will be in good hands.

Dr Nick Browne  
Senior Partner  
Abbey Medical Centre
